

Guide to Registering for Bronze and SRC Requals through the Members Area

If you hold the SRC or Bronze Medallion award, you'll need to undertake a Skills Maintenance Check (SMC), AKA the "requal" before the 31st of December each year in order to keep your award current.

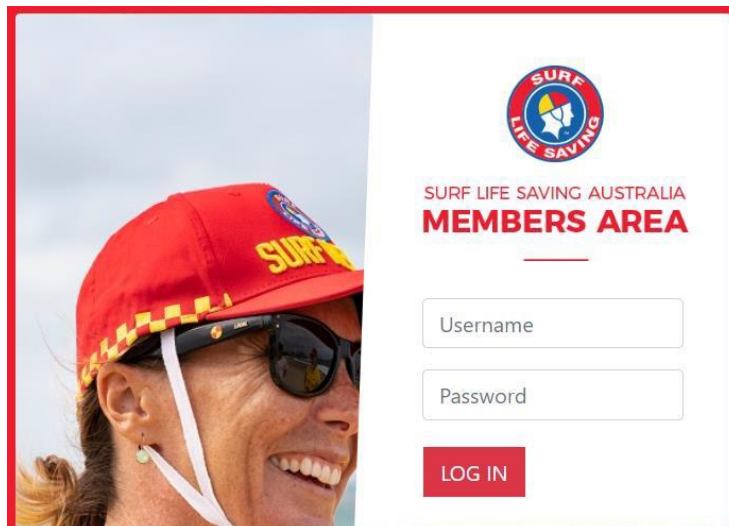

The SMCs will take approximately three hours and will cover CPR, First Aid, Radios, Run-Swim-Run, Board Rescue, Tube Rescue and Spinals.

This year, the SMC process is online!!!e

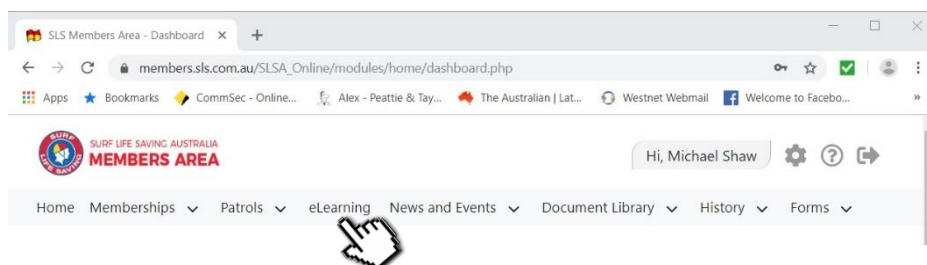

You will be able to book your patrol via a calendar in the SLSA Members Area.

Our education team will be using iPads to record your attendance and the completion of all the areas within the SMC. This means we reduce an enormous amount of paperwork!!

If you don't already have a Members Area account, please register using the separately provided Guide. Then type **members.sls.com.au** in your browser to go to the Members Area login screen below.

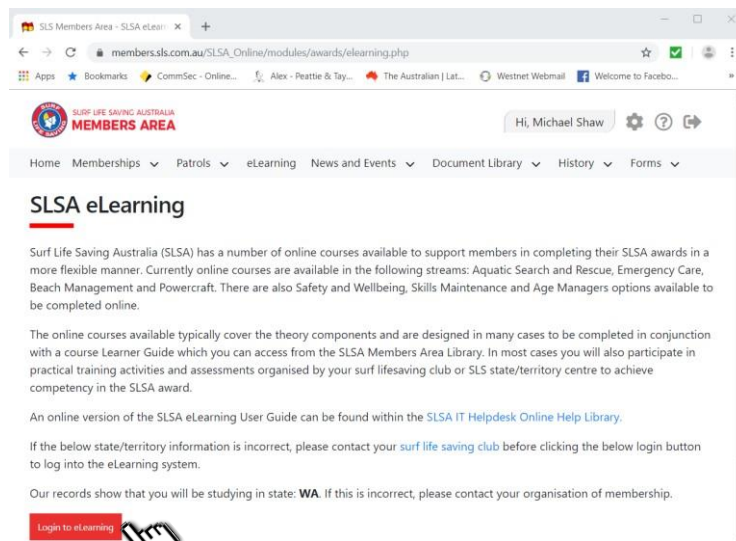

Type the User Name and Password selected when you registered for the Members Area account and click "Log in". You will see the following menu bar. Click on "eLearning".

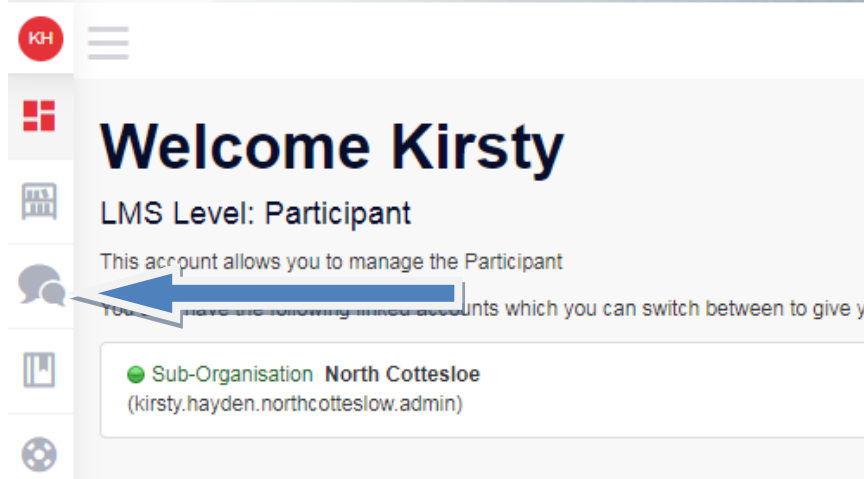

You will see the SLSA eLearning login screen below. Click on "Login to eLearning"

If the system takes you to an additional log in page DO NOT ATTEMPT TO LOG IN. Open a new tab and try again.

At this Welcome screen, click on **“Training Event”** and you will be taken to a Calendar where you can locate the SMC dates and sessions.

The system will default to you North Cottesloe events but you can search other Clubs SMC dates as well and book onto their SMC sessions.

LEARNING SESSIONS
 03/11/2019 07:00 - 10:00
 North Cottesloe SLSC, Cottesloe WA
Location special instructions: Meet in the training room 10 minutes before the scheduled start and ensure you sign in.

Confirm by clicking **ENROL** again.

You can amend your registration by logging into the portal again and clicking **UNENROL** on your confirmation.

You will receive an email confirmation once your session has been booked.

Please note, as per last season if you do not attend your enrolled SMC you will be charged a \$50 administration fee. You may not withdraw from a registered SMC more than 48 hours before the course as we have confirmed our trainers for this session.
